Parental Consent

I hereby give permission for my child, _____, to participate in the 2010 Kids U activities and consent and agree to hold harmless the Assemblies of God Northern California and Nevada District Resource Center, its agents, employees, or volunteer assistants from claims that I (as a parent) might have arising out of my child's participation in this program. I have explained the meaning "hold harmless" to my child, and his/her signature below indicates his/her agreement to do the same.

If it should become necessary for my child to receive medical treatment for any reason, I understand that the Assemblies of God/ Northern California and Nevada District Resource Center's medical insurance policy acts in a primary position ONLY when the participant is not already covered by insurance. Consequently, I agree to submit all claims first to my insurance company and then to the insurance for the Assemblies of God/ Northern California and Nevada District Resource Center.

I also accept full responsibility for the cost of medical treatment for any injury not covered by insurance. In addition, I authorize and consent to all medical, surgical, diagnostic, and hospital procedures as may be performed or prescribed by a physician to safeguard my child's health, and it is not advisable to take the time to contact me in advance. I waive my right to informed consent for each treatment.

Moreover, I understand that temporary, emergency measures may be necessary to safeguard my child's health and do hereby authorize and request the Assemblies of God/ Northern California and Nevada District Resource Center personnel to administer or supervise until such time as my child can be safely transported to a doctor or hospital..

Photography and video taping will take place at this event as part of the event records and for future event promotions. By signing I give consent for the Assemblies of God to use any photos or video that includes me or my child for its publications, promotions and records.
