Training Resources:

- **Inviting the Presence of God into your Children's Ministry**– The day of Pentecost opened the door for your children to experience the supernatural presence of God. Inviting the Presence of God into your Children's Ministry shares simple, practical "secrets" for developing a Spirit-filled children's ministry.
- **Avoiding the Top 10 Mistakes of Children's Ministry**– The Children's Ministry graveyard is filled with workers who met their demise after serving in the class room or children's church. These workers have not learned how to Avoid the Top 10 Mistakes of Children's Ministry. Learn how to avoid these mistakes so you can THRIVE, not just STRIVE to SURVIVE.
- **Leading Children into the Baptism of the Holy Spirit**– Too many children go through our Sunday classes, Children's churches, and mid-week clubs without every being given the opportunity to receive the promise of the Father. Oft times, this missed opportunity arises from workers not feeling comfortable or knowledgeable in this type of ministry. Leading Children focuses on simple, practical insights and guidelines for leading children into the Baptism in the Holy Spirit.
- **We Want You!**- Easy recruiting commercials for Children's Ministries. They immediately encourage and motivate new and veteran volunteers to get involved in children's ministry.

The NCN Children's Ministry office is available to travel to your church and train your Children's Ministry team to effectively implement the provided curriculum in your Sunday classes, children's churches, or mid-week programs.
